"MATHLETES" SCORE WITH A CHAMPIONSHIP SEASON

On Saturday, February 6, seventh and eighth grade students from Mill River competed at the annual Southwest Vermont MATHCOUNTS Chapter Competition held at Castleton State College. To prepare for this problem solving contest, these students spent many hours after school practicing strategies and solving problems involving various topics in mathematics. This hard work paid off as Mill River's Record Team of Lauren Keyes, Tristan Lawry, Tim Parrish and Graham Seward placed first in the team competition. Tristan Lawry was the top scoring individual at the competition, which involved over forty competitors from several area schools. Other top finishers in the Individual Competition included Graham Seward placing second, Tim Parrish placing fourth, and Lauren Keyes placing seventh. These "mathletes" also did well in the Countdown Round with Graham Seward taking first place and Tristan, Tim, and Lauren placing second, third, and fifth, respectively.

The Alternate Team of Erin Benger, Adam Dunaher, Maeve Mangine, and Ira White also did extremely well, placing first in the Alternate Team Competition. Ira White and Erin Benger were also the top two scoring alternates at the competition. The seventh grade team from Mill River which included Kay Anderson, Heather Brouillard, Stephanie Ketcham, Kayla Rysewyk, and Elizabeth Waite also made a strong showing, with Elizabeth Waite taking top honors as the highest seventh grade scorer. Elizabeth topped off a successful day by also winning the seventh grade Countdown Round.

This win by the Record Team qualifies them for the State MATHCOUNTS.

Congratulations and Best Wishes to the Class of 1999 from the staff of the 1999 Yearbook

This year's edition of Mill River High School's yearbook "Spirit" is dedicated to retiring School Board Chairman, Thomas O'Brien.

Mr. O'Brien has been a school board member since Mill River's inception in 1975 (and Chairman for the last 5 of those years). Throughout those 23 years, in a job often fraught with long hours, seemingly endless meetings and some ever-present controversy of one sort or another, he has served the school, its students and the community with tireless dedication. Mr. O'Brien is the embodiment of the Mill River "Spirit" for which this book is named. Congratulations, Mr. O'Brien, and all best wishes from your Mill River community.
